VERY SUCCESSFUL OLD PORT DAY

Mrs. Arnold reported at the July Board Meeting that Old Port Day was a tremendous financial success. A profit of approximately \$1500.00 was realized.

This is the time for all Point Members to be thinking of future plans for "other" "Old Port Days" which can be just as successful as this one.

The entire Point Association is most grateful to Mrs. Arnold and her excellent committee for giving us such a successful "Day" and we are also very grateful to all the other Newporters who helped to make it such a success.

October Elections

Election of new officers will be coming up in October. If the general membership has any suggestions, please contact the nominating committee:

Mrs. Harold Watson
Mrs. Henry Eccles
Mr. Janus Luth
Mr. William Fullerton
Mrs. Edwin Brownell
