## BULLETIN of the POINT ASSOCIATION

### GENERAL MEMBERSHIP MEETING

OCTOBER 23, 1957

TO: MEMBERSHIP AT LARGE

FROM: President, Point Association

If any member feels the Point Association should take action on new and different activities, would they please take it upon themselves to offer suggestions to the president or someone on the Executive Board.

Also if any member is particularly interested in some business that is being currently conducted by the Point Association, would he please feel free to contact the president or the chairman of the appropriate committee to receive a personal report of progress. The members should realize that the executive board and the committee chairmen are engaged at the present time in a great deal of business. Sometimes one item inevitably tends to monopolize a committee or a chairman. If you feel that any specific business has been overlooked or seems to be in danger of being overlooked, would you please bring it to the attention of the Board?

The president would also like to urge members who have been unable to attend the general meetings to feel free to come to the executive board meetings. A provision was specifically written into our constitution to enable our members at-large to do this. Of course we would be very happy if you would find it possible to come to our next GENERAL MEMBERSHIP MEETING, OCTOBER 23, 1957. Remember, refreshments will be served!

S. Joseph Weaver

### WANT AD

#### NEEDED - YOUTH LEADER for YOUNG POINTERS

The Executive Board of the Point Association is desirous of establishing a youth group. No definite plans have been made and at this time the youth group could take any form. Some of the Executive Board favor a canteen activity while some of the others favor a Junior Point Association. One interested member has offered a substantial sum of money to start a "Youth Clean-Up Group". We would very much like to see some effective activity started. HOWEVER, WE NEED A LEADER. This type of movement cannot be conducted without a leader or leaders. If you are interested in either a rotation schedule or a full time basis, please call the president, Vi 6-2487.

## BULLETIN of the POINT ASSOCIATION

### GENERAL MEMBERSHIP MEETING

DATE: WEDNESDAY, OCTOBER 23, 1957

WHERE: NEWPORT CHAMBER OF COMMERCE

TIME: 8:00 P.M.

SPECIAL EVENT: "MAN OF ACTION" film.

Many important items for discussion will be coming up at this general membership meeting and all members should make a special effort to attend. All members are entitled to give their views and suggestions from the floor and to vote so it is necessary that important decisions be made by the majority of members rather than a few.

Refreshments will be served. The meeting is OPEN TO THE PUBLIC.

### NOTICE TO MEMBERS

Any member wishing the executive board to take action on a complaint in the area must submit his request for same in writing to the executive board.

No action will be taken unless a written request is submitted or the chairman of the appropriate committee brings a complaint before the board. We are mentioning this because many word-of-mouth complaints reach board members by various routes. Although the board members are very interested in hearing such complaints they cannot officially take action without a written request.

### PRESIDENT EISENHOWER

The president of the Point Association, Mr. S. Joseph Weaver wrote to President and Mrs. Eisenhower to acquaint them with the historic "Point Section" of Newport. The following letter was received in reply:

Dear Mr. Weaver:

Mrs. Eisenhower and I are grateful to you and the members of the Point Association of Newport for your cordial welcome to your City. We have seen a little of the Point area, both from the bay and from one drive that we made along Ocean Drive, and hope in future days to become better acquainted with this particularly historic section of Newport.

With thanks for your thoughtful letter, and best wishes,

Sincerely,

(President Eisenhower's signature)
